

MEXICAN SPIRITS JOURNEY

TEQUILA RESERVE FLY[★] 75 USD

It's said that creativity is the ability to connect things that already exist and create something new or different. We got creative and drew inspiration from the traditions of our ancestors to combine the flavor and texture of chocolate and tequila.

MEZCAL FLY[★] 75 USD

Immerse yourself in the tradition and ancestral flavor of mezcal, a unique drink that reflects the soul of Mexico in every sip. Handcrafted with selected agaves, cooked in stone ovens and distilled in copper stills, each drop of mezcal tells a story of the land and the hands that created it.
